

# Assembly

What is today's assembly about?

Treat people the way you want  
to be treated. Speak to people  
the way you want to be spoken  
to.

Kindness is a language  
which the deaf can hear and  
the blind can see.

*Respect*

## Tolerance

- I treat everybody respectfully, regardless of religion, colour, creed, nationality, political standings or personal background

## Empathy

- I can put myself in other people's shoes and 'walk around in them'
- I am open minded towards others and their opinions
- I look after the environment and resources

What do  
these  
mean?

# Real-life Situations

- How do we look after the environment and resources during-
- Art?
- PE?
- Playtime and lunchtime?

# Real-life Situations

- A game has been decided and it's only a game for three people; however, there are four people, meaning that one person is left out.
- Put yourself in that person's shoes: how does it feel?
- What's the solution?

# Real-life Situations

- 'You're so slow at running.'
- Put yourself in the person's shoes: how does it feel to be told that?
- What's the solution? Would you be happy with being told this?

# Real-life Situations

- Someone, who you may not talk to often, comes into class and they look upset. Their head is bowed and they're avoiding eye-contact.
- What do you do?
- If you were feeling upset, what would you want others to do?

# Video

- Watch the following clip and consider how Auggie felt as he walked through.
- Why did he feel like that?
- How do you think that experience could help Auggie in the future? What can you learn from this?

# Letting Respect Grow – how?

- *Building trust*
- *Showing kindness*
- *Helping others*
- *Think carefully about the words we use: words are powerful.*
- *Patience*
- *Politeness*
- *Looking after people and resources.*
