Dear Parents/Carers,

During this half term, we would like all the children in Year 3 to produce a Home Learning Project. We believe this gives our children the opportunity to share their learning with family at home, engages them in their learning and allows them to share their knowledge, skills and talents with their peers.

The children are encouraged to choose the project idea they would like to create and how they wish to present it to the rest of the class. This half term's project needs to be completed and returned to school during the week commencing **Monday 12th December** and the children will be given the chance to share their learning with the rest of their class. If your child needs any resources that school can provide, please encourage them to ask their class teacher.

Project Ideas

- Create a newspaper report about the Cheddar man
- Sew a Stone Age outfit
- Make your own Stone Age necklace
- Design your own Stone Age settlement
- Construct a Stone Age spear
- Create some Stone Age pottery
- Visit Creswell Crags and take photos to show the class
- Build a shelter, take pictures to show the class
- Paint or sketch an image of a cave man
- Dress up like a cave man for the day, think about how they would behave
- Using Lego, build a cave
- Create fossils out of clay or salt dough
- Light a fire with a responsible adult, take a photo and use some ambitious vocabulary to describe it.
- Create a rocks and fossils quiz for the class, you will also need the answers
