Dear Parents/Carers,

Please find below the list of home learning tasks for Spring 1. We ask that children complete at least one of the below project ideas and share them with their peers at school.

The children are encouraged to choose the project idea they would like to create and how they wish to present it to the rest of the class. This half term's project needs to be completed and returned by **Monday 7<sup>th</sup> February**. Once returned, the children will be given the chance to share their learning with the rest of their class. If your child needs any paper or other resources that school can provide, please encourage them to ask their class teacher.

### **Project Ideas**

- Use mud from outside to create your own cave painting.
- Collect some large stones from outside and paint them with some cave painting designs.
- Build your own Stone Age tools.
- Create a newspaper report about the discovery of Skara Brae.
- Write a visitor's guide to Stonehenge.
- Design and sketch a Stone Age outfit
- Create a presentation about a Stone Age animal of your choice.
- Have a go at fishing.
- Grow your own vegetables.
- Make some Stone Age bread.
- Try and create a log fire out of toilet roll tubes and tissue paper.

### **Weekly Tasks**

As well as the projects, there are reading assignments on Reading Eggs to complete. After reading each chapter, children will face quiz questions on what they have read.

As a school, children are encouraged to read at home at least four times a week and practise their times tables on Times Tables Rockstars. Children are expected to have a quick recall of facts up to 12x12 and knowing these will really benefit them during maths sessions, where the emphasis will be on speed.

Thank you for your continued support.

The Year 3 Team
