

Here is a timetable you might find useful when structuring your day.

For those who require greater flexibility, each day's learning will continue to be posted on Google Classroom each morning, all at once.

Google Classroom Expectations

When completing your learning, we expect you to:

- Show **RESILIENCE** when completing **all** tasks to the best of your ability
- Be **RESOURCEFUL** when up-levering and improving your work – particularly in English
- Spend quality time on each activity set – do not just race through them!
- Demonstrate great **RELATIONSHIPS** when commenting on others' learning
- Be **REFLECTIVE** by checking if your work has been returned to you, acting upon the advice given.
- Keep any comments on the Classroom Stream focused on the learning

Once you have completed your learning and are confident that it is your best work, you must share your learning with your teacher.

Again, this can be done in various ways. For example:

- by uploading a **document/picture/screenshot** onto **Google Classroom**, and clicking 'hand-in'
- by **emailing** a **document/picture/screenshot** to your teacher (e.g. j.berkshire@sitwelljunior.uk)
- by sharing a document using **Google Docs**
- by completing your learning in your **Remote Learning Book** and then bringing it in to share with your teacher on your return to school

If, due to technology difficulties, you need to do your learning in your Remote Learning Book, you must let your teacher know, otherwise your teacher will not know why you are not submitting work electronically.

If you have any problems at all with accessing work on Google Classroom then either:

- ask for help on the Google Classroom Stream from your teacher or class mates or
- ask your parents to telephone or email the school at info@sitwelljunior.uk
