

Dear Parent/Guardian

Rotherham Central Neighbourhood Policing Team is working closely with Sitwell Junior School and Sitwell Infants School, to ensure the safety of pupils, parents and local residents.

Whilst we appreciate that some parents need to drop off and collect their children using their vehicle, please be aware that drivers need to adhere to parking restrictions in the area, such as the zig-zag lines outside of school. Drivers also need to be mindful where they are parking and whether this might obstruct junctions or pathways.

The reason why we are working with Sitwell Junior School, Sitwell Infant School and parents on this matter, is primarily for the safety of all pupils attending the school. The parking restrictions are there to ensure the **safety of the children** so please respect them and adhere to our request.

It would also be much appreciated if you would consider the needs of local residents and assist by ensuring that parked vehicles do not obstruct driveways and entrances.

Please be aware that there are increased patrols in the area, and enforcement action will be taken.

Any vehicle that is deemed to be causing an unnecessary obstruction could face a fixed penalty notice being issued.

Your co-operation in this matter would be much appreciated.

If you wish to contact us regarding this matter, then please contact:
