Dear Parents/Carers,

Below are some home learning project ideas related to this half term's topic, 'Land of the Free?' This home learning really encourages the children to become investigative learners and to develop their enquiry skills, independence and creativity.

The deadline for projects is Monday, 7th February as we would like to share and celebrate the success of each project.

Project Ideas

- Make a model of the Statue of Liberty or famous monument and write a descriptive paragraph about it.
- Choose a famous American artist and replicate what they have drawn.
- Write an instruction text for making chocolate brownies. Then, make them.
- Create a scrapbook of photos which reflect life in an American City.
- Create a timeline of major American events.
- Research Martin Luther King and produce a biography.
- Follow a famous American sporting club and write a timeline of events.

This term, we also have activities linked to Children's University, thus allowing each child to build up their credits. Please follow the link for each activity. Children will need to click these links on a device logged onto their SJS Gmail account. Children can also access these links directly from the Pupil Drive.
