JUNIOR SCHOOL

Y6 Home Learning

Spring 2

Inspiring lives; creating possibilities; shaping futures

Dear Parents/Carers,

Below are some home learning project ideas related to this half term's topic, 'Land of the Free.' This home learning really encourages the children to become investigative learners and to develop their enquiry skills, independence and creativity.

This half term's project should be completed and returned to school by **Monday, 27th March**. If your child needs any paper, or other resources that school can provide, please encourage them to ask their teacher.

Project Ideas

- Create a model of a scene from Wizard of Oz.
- What were the Beaver Wars? Write a historical account that includes who fought, why beaver fur was so important and what happened.
- Turn a section of Wizard of Oz into a picture book.
- Design a new front cover for Wizard of Oz.
- Create top trump cards about the characters from Wizard of Oz.
- Use online sources to research and create a timeline of Native American history. Decide which events are most important, and write a caption to go with each date, explaining what happened.

As well as these project ideas, children are encouraged to read at home four times a week (this can include Reading Eggs) and practise their times tables on Times Tables Rock Stars. Children are expected to have a quick recall of facts up to 12 x 12 and knowing these will really benefit them during maths sessions, where the emphasis will be on speed.

If you have any questions, please do not hesitate to contact a member of the team.

Thank you for your continued support.
