Dear Parents/Carers

**On Thursday 5th October, the WonderDome mobile planetarium will be visiting school and the children will be taking part in workshops and experiences linked to our Y5 Stargazers topic. Your child will be able to experience the planetarium and learn more about space.**

As part of the day, the children will be learning about the planets in our solar system, the size of the universe, space travel, earth, the sun and the moon.

The cost for the experience will be £3.00. This cost includes the WonderDome experience, activities and a workshop/show. All payments should be made on Parent Pay.

**We really appreciate your support in helping us to provide these memorable experiences for our children as they really help to bring our curriculum alive. Unfortunately, if we receive insufficient contributions towards the cost of this experience. it may be necessary to cancel.**

Please fully complete and return the attached consent form to the school office by 2nd October 2023.

Thank you for your continued support.

Kind regards

Year 5 Team
