Y3 Bling your bike day - Wednesday 29th November

Dear Parent/Guardian,

On Wednesday 29th November, Sitwell Junior school are holding a Bling Your Bike and Scooter morning for our Y3 children!

On the day, children will have the opportunity to decorate their bikes and scooters in brightly coloured materials. The best decorations will receive a prize.

Every child who brings a bike or scooter to school will be able to take part so choose an active way to travel on Wednesday 29th November.

The purpose of the event is to teach children the importance of being bright when travelling so as to be seen by drivers. The event is also a fun way of encouraging children and parents to choose active ways to travel to school.

Children **must** have a lock for their bike or scooter if they wish to participate. On the morning of the event, bikes and scooters can be left in the school hall using the same entrance that the children use at lunchtime. After the session, they will then need to lock their bikes or scooters against the ball court.

There will be more active travel activities later in the term for those who are unable to bring a scooter or bike to this event.

We look forward to seeing you there.

Laurie Butler
