Raising Money for Children in Need and British Red Cross

Dear Parents/Carers,

As you will be aware, this Friday marks our annual Children in Need event. Children in Need is committed to fundraising for grassroots organisations and project workers in every corner of the UK, who provide vital support to help the children who need it the most.

On this day, we have also decided to raise money for the British Red Cross, which is an impartial, non-political humanitarian organisation. They are currently responding to urgent humanitarian needs with vital aid and support, including providing first aid, ambulances and medical support. For further information on the British Red Cross, please visit their website - <https://www.redcross.org.uk/>

This Friday, children are invited to come into school wearing non-uniform in exchange for a suggested £1 donation. Children are also invited to bring in any spare change to help their class create a giant Pudsey out of coins. There will be a prize for the winning design! Any money raised on this day will be shared equally between the two charities.

Thank you for your continued support and generosity.
