Year 3 Yorkshire Wildlife Park Visit

Dear Parents/Carers,

A visit to the Yorkshire Wildlife Park has been arranged for the year 3 children to engage in national curriculum-linked, interactive activities and allow them to explore and get 'hands on' with incredible creatures and unique artefacts. The trip will involve a workshop on animal's teeth and diets, which will link nicely with our animals including humans science topic in school. The day will incorporate an educational workshop that involves a group food chain activity and getting hands on with real life skulls and teeth that belong to some of the park's animals. We will take a self-directed tour round the park exploring the largest collection of Polar Bears in England and spotting some of the world's most endangered animals including the Amur Leopards and Tigers.

The visit will take place on Wednesday 27th March. On the day, your child will need to bring a packed lunch and non-fizzy drinks. Please ensure they are wearing their school uniform for the trip including a warm coat and sensible outdoor shoes. We ask that your child arrives at school at **8.30am**. The coach will return to school for **3pm**. The cost for the trip will be £18.50 and includes the admission ticket, the educational workshop and transport. All payments to be made on Parent Pay. Children may bring no more than £5 with them to spend at the gift store before returning to school.

We really appreciate your support in helping us to provide these memorable experiences for our children as they really help to bring our curriculum alive. Unfortunately, if we receive insufficient contributions towards the cost of this visit, it may be necessary to cancel.

Please fully complete and return the attached consent form to the school office by **Friday, 15th March 2024**.

Thank you for your continued support.

Kind regards,

Mrs Taff, Mrs Levick & Miss Evans
